

Mercy Hospital Press Release

MEDIGO URGENT CARE CENTER OPENS DOORS IN BRICKELL AREA WITH THE HELP AND SUPPORT OF MERCY HOSPITAL

The first of its kind located in Downtown Miami, MediGo™ is ready to treat the injured without an appointment!

Miami, FL (July 18, 2007) – MediGo™, a new medical urgent care center that is an affiliate of Mercy Hospital, recently celebrated their grand opening with a special blessing and reception on Thursday, May 24th. Samaho Healthcare, a Mexico-based services healthcare provider specializing in urgent care and general medical services, established MediGo. Located in the Brickell area, MediGo will provide a variety of convenient, affordable services to its surrounding community with no appointment necessary.

“There was a great need in the downtown area for an urgent care center,” said Dr. Manuel Anton, Senior Vice President and Medical Director of Mercy Hospital. “We are happy to be involved in the inception of MediGo and look forward to working with Samaho Healthcare on this great addition to the community.”

Offering service to local and international customers, Samaho Healthcare is working closely with Mercy Hospital to ensure a smooth transition into the Miami market. Mercy Hospital will assist in providing medical staff at the Center which includes board certified physicians and registered nurses.
